

Adam & The Ants, Cartrouble

Have you ever had a ride in a light blue car?
Have you ever stopped to think who's slave and who's the master?
Have you ever had trouble with your automobile?
Have you ever had to push push push push?
Cartrouble oh yeah

You might have seen them very busy at the weekend (oh oh)
Lick lick and polishing the beep-beeps into shape
And then it's proudly up the M1 M2 M3
And keep your feet off the upholstery Ronnie
Cartrouble oh yeah

Car car-car trouble car car-car trouble
Car car-car trouble car car-car trouble
Car car-car trouble car car-car trouble
Car car-car trouble car car-car trouble

(And remember this)
You don't need anything after an ice cream

I used to sit at home silently and wonder
Why all preference is polishing the chrome
While all the mothers and the sisters and the babies
Sit and rot at home
Cartrouble oh yeah

And remember this:
You don't need anything after an ice cream

Car car-car trouble car car-car trouble
Car car-car trouble car car-car trouble
Car (car-car) car-car trouble
Car (car-car) car-car trouble
Car (car-car) car-car trouble
Car (car-car) car-car trouble
Car (car-car) car-car trouble
