

Adam & The Ants, Don't Be Square (Be There)

music for a future age
don't be square be there
all good clean fun
(whatever that means)
Antmusic for sexpeople
Sexmusic for antpeople
get off your knees
and hear the insect prayer

Dirk wears white sox

the brain will suffer

so ride hard ride clean
how reputations scare
and love goes to war
(whatever that means)
Antmusic for sexpeople
Sexmusic for antpeople
get off your knees
and hear the insect prayer

you may not like it now but you will
(the future will not stand still)
