

# Adam & The Ants, Here Comes The Grump

Adam ant/marco pirroni

When you get a number one  
The only way is down  
And if you have a sticky patch  
They start looking, start looking around

Listen close to what men say  
Take what you want  
And throw the rest away

When you get a number one  
The only way is down  
And if you have a sticky patch  
They start looking, start looking around

In the night when things go bump  
Think of me think  
Here comes the grump, here comes the grump

Doctors said &quot;adam, sex kills&quot;  
So come inside and die
