

# Adam & The Ants, If You Keep On

Adam ant/kevin rowland

I'll take it round  
Round by round  
And I will pay if you don't mind  
So just say hello  
Or even stare  
But don't talk about me  
When I'm standing there

So you run your life  
And I'll run mine  
Don't ask how I am  
You're no friend of mine  
I've made my own bed  
It suits me fine  
I don't know your name  
But you sure know mine

I'm not hard to get on with  
You'd try the patience  
Of a saint

If you keep on talking to me

With all of your crude advice  
I'll talk to you my friend  
And it won't be nice  
If you keep on doing what you're doing  
I'm gonna vexed with you  
If you keep on doing what you're doing  
You're gonna be next

I'll take it round  
Round by round  
Don't want to hear bells when I hit the ground  
After awhile you get used to pain  
If you knock me down  
I'll just get up again  
Now these things I say  
Sound hard for you  
Well that's just because  
You've got no point of view  
Some people talk and never do  
And that's the big difference  
Between me and you

If you keep doing what you're doing.....
