

# Adam & The Ants, Physical

(Do-It version as on Antmusic EP/B-sides)

I wanna date you baby  
I wanna take you out  
I wanna wine and dine you  
I wanna twist and twist and shout

I want you hard in my arms  
So soft on my mattress  
You get the keys to my heart  
When you wear that sweet dress

But you're so physical  
Physical for me  
You're just too physical  
Physical for me

I wanna date you baby  
I wanna take you out  
I wanna wine and dine dine dine dine you  
I wanna twist and twist and shout

I want you hard in my arms  
So soft on my mattress  
You get the keys to my heart  
When you wear that sweet dress (you know, the short one)

You're so physical  
Physical for me  
You're just too physical  
Physical for me

Ow!  
Ohh you're so physical oooh  
Ohh you're so physical ooh ooh  
Ohh you're so physical ooh ooh  
Ohh you're too physical
