

# Adam & The Ants, S.E.X.

And when summer gets to me  
And sets the sex on fire  
My body is an ocean  
Of twisted white debris

And when summer gets to me  
And sets the heart in motion  
A pain that hides in my insides  
Is suddenly set free

And sex is sex forget the rest  
The only one that's free  
The only great adventure left  
To humankind, that's you and me

And when summer gets to me  
And tries to make me tired  
I'm living every minute  
And dying every three

And sex is sex forget the rest  
The only one that's free  
The only great adventure left  
To humankind, that's you and me

Let all the braggers brag  
Sex  
S E X  
Virginity's no crime  
Sex  
S E X  
Your body should be yours  
Sex  
S E X  
And sharing it sublime  
Sex  
S E X
