

ADAM, The Perfect Day To Die

I am the storm
I am the rage from above
I am the dirty faces of 1000 Gods

My star, My eyes
A way to die inside
With your desire

I will hit this planet
Like an hurricane
'cuz I am ready to change
The way I am

Like an evil
Fairy tale, fairy tale
Like an evil
Fairy tale, fairy tale
Like an evil
Fairy tale, fairy tale
Like an evil
Fairy tale, fairy tale

I am virgin space beyond your faith
My name won't die in vain
I found a perfect day to die
The perfect day to die
