

# Adamantium, Forgotten

Blood runs black  
As the demon engulfs time  
Brainwashed into your mind  
Try to fight your way to hell  
Try to find a soul to sell  
To appease this place of death  
Lose your mind with every breath  
Suffocate yourself to be free  
Life falls short to the demon sea  
Can you feel yourself die?  
Can you feel his hand descend?  
Can you feel yourself die?  
You are forgotten.
