18 Til I Die

Have You Ever Really Loved A Woman

To really love a woman

To understand her - you gotta know her deep inside

Hear every thought - see every dream

N' give her wings - when she wants to fly

Then when you find yourself lyin' helpless in her arms

Ya know ya really love a woman

When you love a woman you tell her
that she's really wanted

When you love a woman you tell her that she's the one

Cuz she needs somebody to tell her

that it's gonna last forever

So tell me have you ever really

- really really ever loved a woman?

To really love a woman

Let her hold you -

til ya know how she needs to be touched

You've gotta breathe her - really taste her

Til you can feel her in your blood

N' when you can see your unborn children in her eyes

Ya know ya really love a woman

When you love a woman

you tell her that she's really wanted

When you love a woman you tell her that she's the one

Cuz she needs somebody to tell her

that you'll always be together

So tell me have you ever really -

really really ever loved a woman?

You got to give her some faith - hold her tight

A little tenderness - gotta treat her right

She will be there for you, takin' good care of you

Ya really gotta love your woman...
