Have You Ever Really Loved A Woman
To really love a woman
To understand her - you gotta know her deep inside
Hear every thought - see every dream
N' give her wings - when she wants to fly
Then when you find yourself lyin' helpless in her arms
Ya know ya really love a woman

When you love a woman you tell her that she's really wanted When you love a woman you tell her that she's the one Cuz she needs somebody to tell her that it's gonna last forever So tell me have you ever really - really really ever loved a woman?

To really love a woman
Let her hold you til ya know how she needs to be touched
You've gotta breathe her - really taste her
Til you can feel her in your blood
N' when you can see your unborn children in her eyes
Ya know ya really love a woman

When you love a woman you tell her that she's really wanted When you love a woman you tell her that she's the one Cuz she needs somebody to tell her that you'll always be together So tell me have you ever really - really really ever loved a woman?

You got to give her some faith - hold her tight A little tenderness - gotta treat her right She will be there for you, takin' good care of you Ya really gotta love your woman...
