

Adams Bryan, How Do Ya Feel Tonight

Adams Bryan

On A Day Like Today

How Do Ya Feel Tonight

is there anybody out there?

anyone that's loved in vain

anyone that feels the same

is there anybody waiting?

waiting for a chance to win

to give it up and start again

we all need something new

something that is true

and someone else to feel it too

i feel so high - no one else would know it

i don't know why i feel the way i do

i can't let go - and i'm not scared to show it

cuz being here feels right

tell me - how do you feel tonight?

is there anybody out there?

anyone that can't explain

anyone that feels no pain

is there anybody dreaming

dreaming of a better day

when everything goes your way

we all need something new

something that is true

and someone else to feel it too

someone just like you
