18 Til I Die

Let's Make A Night To Remember

I love the way ya look tonight

With your hair hangin' down on your shoulders

N' I love the way ya dance your slow sweet tango

The way ya wanna do everything but talk

And how ya stare at me with those undress me eyes

Your breath on my body makes me warm inside

Let's make out - let's do something amazing

Let's do something that's all the way

Cuz I've never touched somebody like the way I touch
your body

Now I never want to let your body go...

Let's make a night - to remember

From January - to December

Let's make love - to excite us

A memory - to ignite us

Let's make honey baby - soft and tender

Let's make sugar darlin' - sweet surrender

Let's make a night - to remember - all life long

I love the way ya move tonight

Beads of sweat drippin' down your skin

Me lying here - n' you lyin' there

Our shadows on the wall and our hands everywhere

Let's make out - let's do something amazing

Let's do something that's all the way

Cuz I've never touched somebody like the way I touch
your body

Now I never want to let your body go...

Let's make a night - to remember

From January - to December

Let's make love - to excite us

A memory - to ignite us

Let's make honey baby - soft and tender

Let's make sugar darlin' - sweet surrender

Let's make a night - to remember - all life long

I think about ya all the time

Can't you see you drive me outta my mind

Well I'm never holdin' back again

Ya I never want this night to end

Cuz I've never touched somebody like the way I touch
your body

Now I never want to let your body go...
