Adams Bryan, Thought I'd Died And Gone To He

Adams Bryan
Waking Up The Neighbours
Thought I'd Died And Gone To Heaven
Love is forever - as I lie awake
Beside you
I believed - there's no heaven
No hideaway - for the lonely

But I was wrong - crazy It's gotta be strong It's gotta be right

Only wanted to stay a while Only wanted to play a while Then you taught me to fly like a bird

Baby - thought I'd died and gone to heaven Such a night I never had before Thought I'd died and gone to heaven Cause what I got there ain't no cure for

Ooo it's so easy What you do to me all night angel I never loved - I swear to God Never needed no one, 'til you came along

Here I come baby It's gotta be strong - it's gotta be right Only wanted to stay awhile Only wanted to play awhile Then you taught me to fly like a bird

Baby - thought I'd died and gone to heaven Such a night I never had before Thought I'd died and gone to heaven Cause what I got there ain't no cure for

I feel fast asleep - I feel drunk I dream the sweetest dreams Never wanna wake up

Never thought it could be this way
No doubt about it - can't live without it
Never thought it could be this good
You made love to me - the way it oughta be
