Adams Bryan, Vanishing

Adams Bryan
Waking Up The Neighbours
Vanishing
People all over build on solid ground
They build it up and then they tear it down
Take it or leave it who cares how much it costs
They'll never know how much is gone until it's lost
'til it's vanishing

Think I hear thunder ain't no sign of rain Danger signs flashin' in my brain Ridin' on empty - lights are turnin' red There ain't no lovin' left in this empty bed Ya it's vanishing

We're sittin' on treasure call it sacred ground Why look for more babe when it's right here to be found

Never gonna lose ya - ya know I'm gonna fight This thing's worth saving girl - ya know we'll make it right

If it takes all night - gonna swim your sea Gonna sail your ocean - gonna shake your tree Gonna climb your mountain - gonna shine your light Wanna row your river darlin' - if it takes all night

People all over build mansions in the sky They choke on smoke and watch their dreams go by When the phone stops ringin' love has surely died But the grass is greener babe on the other side

Never wanna lose ya - ya know I'm gonna fight Never said it'd be easy girl - ya know we'll make it right

If it takes all night - gonna swim your sea Gonna sail your ocean - gonna shake your tree Gonna climb your mountain - gonna shine your light Wanna row your river darlin' - if it takes all night

You're gonna miss me when I'm gone Whatcha gonna do without a shoulder to lean on You're gonna miss me when I'm gone Never wanna lose ya - ya know we gotta fight Never said it'd be easy girl - ya know we'll get it right.. If it takes all night
