Adams Yolanda
Believe
I Gotta Believe
ooh! ooh!(talk about it) 2x

Verse 1:

You know life, has it's ups and downs,
turn your pretty face, into an ugly frown.
Seems that when I fix one thing,
another one comes, clouding up my vision,
And I can feel the sun, i believe that I can do this,
I know that I can win, just as long as I have his love within.

Chorus:

I believe that I can make it, I can make it through the night
I believe that I can walk on, with my head held high,
I believe that I am special in every way,
But in order to have my victory(I gotta believe) Ooh!
(Everbody help me say!!!) (Chorus)
(Take your time and tell them how to make it.)(1st chorus only)

Verse 2:

I have to see myself at the finish line (Talk about it)
I have to visualize that everything will fall in line (Talk about it)
I have to visualize the land while riding through the storm,
I have to trust in my father and open up my heart.
I know that I can do this, I know that I can win,
Just as long as I have his love within.

(Chorus)

Bridge:

Ohh! Heartbreak (I can handle that)
And heart pain (I can handle that)
Being let down (I can handle that)
No One's around (I can handle that)
I believe I can (I can handle that)
I receive I can (I can handle that)
And now I'm walking right into my victory!!!!!!

(Chorus)2x
