

Adams Yolanda, Never Give Up

Adams Yolanda
Believe
Never Give Up
Visions that can change the world
Trapped inside an ordinary girl
She looks just like me
Too afraid to dream out loud

I know it sensible idea
It won't make sense to everybody
You need courage now
If you're gonna persevere

To fulfill your life's purpose
You're gotta answer when you're called
So don't be afraid to face the world
Against all odds

Keep the dream alive don't let it die, if something deep inside
Keeps inspiring you to try, don't stop
And never give up; don't ever give up on you
Don't give up

Every victory comes in time
Work today to change tomorrow
It gets easier
Used to say that you can't fly?

Every step you take you get
Closer to your destination
You can feel it now
Don't you know you're almost there?

To fulfill your life's purpose
You're gotta answer when you're called
So don't be afraid to face the world
Against all odds

Keep the dream alive don't let it die, if something deep inside
Keeps inspiring you to try, don't stop
And never give up; don't ever give up on you...

Sometimes life can place a stumbling block in your way
But you've gotta keep the faith
Bring what's deep inside your heart
To Light
And never give up
Don't ever give up on you,
Do't give up

Who holds the pieces to complete the puzzle?
The answer that can solve all mystery
The key that can unlock your understanding
It's all inside of you
You have everything you need

So, keep the dream alive don't let it die
If something deep inside keeps inspiring you to try
Don't stop
And never give up; don't ever give up on you...

Sometimes life can place a stumbling block in your way
But you're gotta keep the faith
Bring what's deep inside your heart

To the light

And never give up
Don't ever give up on you
No, don't give up
No, no, no, no

Don't give up
Don't give up
Don't give up
Oh, don't, no, no, no, no
Don't...give...up
