

Addict, Teenage Angel

She's in love but she doesn't know
What she needs or how to let go.
It feels like being married,
She was too young to miscarry.

She says, "Bye, bye my childhood dream man,
I will keep in touch if I can
Spent the best years of my life with you."

Happens every time
You start to lose yourself
You turn to blame
The one who loves you the most,
To stay and work it out
Is harder than to run away

So she leaves a note
Because to his face she couldn't say,
"Bye, bye my teenage angel
I don't know how the spell was broken
I don't know what I'm doing
But I'll miss you."
