

Addis Black Widow, Wait In Summer

I could wait in summer, wait in winter

Wait in spring or even fall

It may be so... i know

Cream:

U dont know uuu..oughta know

More o these chains on da door

Chains on da door, get up on it, WAKE UP!!!! buckle up ya catchin a cold

Catchin a cold if u wait until da summer an fall

An when da winter comes then shes all gone!

Wheres she? All gone

Wheres she? All gone..all gone. Wheres she?

All gone.. all gone..Where?

(U be saying) ;

Whos da cat? Who who who could be dat?

Whos da brat? Who took her took her T-cat

Who be dat who took an finger licked her?

Who be dat? Who took her up in da sack?

Only cream can make a girl glad

An in a cake dats what they all grab

So pigeon if u want it real bad.

Just wait.

Wait in spring, or even fall

Wait in spring, or even fall

If u know it's me for sure

And your mind is good to go

If you dreamt of this before
