

Adela Popescu, Vom Uit

Caut fericirea...pe pamant
Fara nici o teamaaaa...doar cu tine-n gand.
Departarea ascunde amintiri,
Vise,lacrimi si sperante in priviri...

Staaaaiiii noaptea-n zori dispere
Nuuu incerca sa fugi acum de mine!
Staaaaiiii dragostea nu areee!
Lasa tot in urma ta,vom uita...

Staaaaiiii noaptea-n zori dispere
Nuuu incerca sa fugi acum de mine!
Staaaaiiii dragostea nu areee!
Lasa tot in urma ta,vom uita...
Oare vom uitaaa???

Am fugit de tineee,de trecut
Ce-am iubit in taina,tot ce am pierdut...
Cum pot oare timpul sa-l opresc?
Fara tine nu mai stiu sa zambesc!

Staaaaiiii noaptea-n zori dispere
Nuuu incerca sa fugi acum de mine!
Staaaaiiii dragostea nu areee!
Lasa tot in urma ta,vom uita...

Staaaaiiii noaptea-n zori dispere
Nuuu incerca sa fugi acum de mine!
Staaaaiiii dragostea nu areee!
Lasa tot in urma ta,vom uita...
Oare vom utaaa???

||

==English translation==

I hunt happiness.....on the Earth
Withoat afraid....just with you in my mind
The far hide memoryes
Dreams,tears and trusts in blushes

Stay.....night in sunrise got away
Not try to run now by me
Stay.....love no die
Abandon all in your behind....we will forget

Stay.....night in sunrise got away
Not try to run now by me
Stay.....love no die
Abandon all in your behind....we will forget
Really we will forget?

I run by you....by past
What am loved in mystery...all I losed
How can the time brink up?
Without you I don't know smile!

Stay.....night in sunrise got away
Not try to run now by me
Stay.....love no die
Abandon all in your behind....we will forget

Stay.....night in sunrise got away
Not try to run now by me
Stay.....love no die

Abandon all in your behind....we will forget
Really we will forget?
