

Adele, Hold On

I swear to God i'm such a mess,
The harder I try I regret
Every words hate me
But now i trully hate me
Every day feels like the road I'm on,
Might just open up and swallow me whole
Hold on!

Let time be patient
Let pain be gracious
Just hold on, just hold on
I will survive.

Let time be patient
You're still strong
Let time be patient
Just hold on, hold on
