That's It I Quit I'm Moving On

When we used to say goodnight I'd always kiss and hold you tight but lately you don't seem to care  
That's it, I quit, I'm movin' on

The other night we had a date and you showed up too hours late, and though your hair was all in place  
Yeah that's it honey I quit I'm movin' on.

Oooohhhh

You made me want you,  
You made me leave you,  
You made me tumble and fall.  
But if I can't have you the way I want you I don't want you at all

Baby I can take a lot cause I love everything you got  
Though your kisses fill me so if you got someone else  
I gotta go, oh that you know.  
Yeah that's it honey I quit I'm movin' on

Oooohhhh

You made me want you,  
You made me leave you,  
You made me tumble and fall.  
But if I can't have you the way I want you I don't want you at all

Baby I can take a lot cause I love everything you got  
Though your kisses fill me so if you got someone else  
I gotta go, oh that you know.  
So that's it baby I quit I'm movin' on  
Yeah that's it baby I quit now I'm movin' on!
