

# Adema, Stand Up

Abusive, no more, no more

He says he loves you,  
but the make-up will not cover up the bruises  
he left on you

I'll try to stop the cycle for you  
This relationship is wack,  
you bastard, don't touch her anymore

Stand up, Stand up.  
He's a drunk and abusive.  
Stand up, Stand up.  
He thinks that you'll never leave him.  
Stand up, Stand up.  
I won't let him get near you.  
Stand up, Stand up.  
It's not your fault when he hurts you.

I think that you should have the chance,  
to enjoy the friends you have.  
He wants to erase them.  
I know that you are trying hard not to show it,  
but the coward is an asshole.  
He's shameless!

Stand up, Stand up.  
He's a drunk and abusive.  
Stand up, Stand up.  
He thinks that you'll never leave him.  
Stand up, Stand up.  
I won't let him get near you.  
Stand up, Stand up.  
It's not your fault when he hurts you.

(Abusive, no more, no more) x2  
Stand up, Stand up.  
It's not your fault when he hit you.  
Stand up, Stand up.  
He thinks that you'll never leave him.  
Stand up, Stand up, Stand up.  
He'll always hurt you.

Stand up, Stand up, Stand up.  
One day he'll kill you  
Stand up, Stand up, Stand up.  
He's always hurting you.  
Stand up, Stand up, Stand up.  
One day he'll kill you.
