

# Adhesive, Bondage Beach

Winter's coming up again now  
It's time to think of someplace else  
Where you can waste all of your problems  
And check out all the boys and girls  
At Bondage Beach you will have a fine vacation  
Boys and girls are all the same  
At Bondage Beach you'll find sexual liberation  
You can't see why it's such a shame  
YOU SAY IT'S DUE TO MUTUAL INTEREST  
SOMEHOW I THINK YOU'RE WAY OUT OF LINE  
Pretending that the things you do  
Are perfectly in order and  
Thinking that you get along fine  
Because no one will know it's you  
At Bondage
