

Adhesive, Don't Turn Away

Tear the whole thing down
End it all with a smile
Throw a spanner in the works
And slow down the pace, slow down the pace
Time to aim in the right direction
We've got nothing to lose, but all to gain
DON'T KEEP YOUR BLINDERS ON
THAT'S RIGHT, DON'T KEEP YOUR BLINDERS ON
Tear the whole thing down
What we do may not matter
But when the day is over
We'll feel a whole lot better
Time to aim
DON'T KEEP YOUR
DON'T TURN AWAY
