Adhesive, Let It Come Down

You spout your rhetoric like a prophecy An ugly mess of ignorance and brutality LET IT COME DOWN BURN YOUR VALUES TO THE GROUND LET IT COME DOWN THIS IS WHERE WE DRAW THE LINE LET IT COME DOWN What you call pride, I call bigotry You're a spineless fuck searching for an identity LET IT COME DOWN You're a mercenary in a fascist war Desperate because you know that things are falling What's next? Another bloodstained misery? I tell you things are gonna start moving, turning right against you Gonna turn right against you You call for freedom, yet you discriminate Those who want no part in your spineless race of hate LET IT COME DOWN
