

Adhesive, Never Been

Let's gather `round this ugly portrait,
representative to the lifestyle of ours.

A sort of holding on too hard on what you've got
has kissed gratitude goodbye, left it to rot.

YOU CAN'T BE SERIOUS IN A WORD YOU'RE SAYING. YOU ALL DISGUST ME.

PREJUDICE FROM OBNOXIOUS MINDS

HAS DEVoured ALL OF YOUR FILTHY KIND.

DEFEND YOUR LAND WITH THE FLAG UP YOUR ASS.

WE DON'T WANT YOU, YOU'RE NOT NEEDED.

How can you say "limit races to one kind"

when you're just a tiny part of their plan?

Inhale insanity, go ahead and suck their lies.

You're just fuel for their combustion.

YOU CAN'T BE SERIOUS...

Do you really know what you're preaching and where to point the blame?

All the targets of your accusations make you look insane.

Have you ever tried understanding cultures are no threats.

In the end you'll be left with nothing, except for your greed and your fears.

YOU CAN'T BE SERIOUS IN A WORD YOU'RE SAYING. YOU ALL DISGUST ME.

PREJUDICE FROM OBNOXIOUS MINDS

HAS DEVoured ALL OF YOUR FILTHY KIND.

MASTURBATE WITH THE FLAG UP YOUR ASS.

WE DON'T WANT YOU, YOU'RE NOT NEEDED.

YOU'VE NEVER BEEN...
