

Adie, If I'll Ever

I feel much stronger now I know You
Your beauty pierces my heart
And I get it
Your love is so much deeper
And bolder than the purest dark

And if I'm stronger
It's 'cause the fear is over
You've taken all my shame

And I don't know if I'll ever fathom
What it took to give it all away
And I don't know if I'll ever know
All the debt I'll never have to pay

You take the coldest part of my heart
And turn it to overflowing joy
And I get it
All I need is in you
And this beauty is what You have restored

And if I'm stronger
It's 'cause the fear is over
Your love has paved the way

And I don't know if I'll ever fathom
What it took to give it all away
And I don't know if I'll ever know
All the debt I'll never have to pay

You gave Your life in place of
What I should have paid my debt for
How could I have ever lived without You

And I don't know if I'll ever fathom
What it took to give it all away
And I don't know if I'll ever know
All the debt I'll never have to pay
