

# Adina Howard, Baby Come Over

Chorus

Tonight is the night, to make it alright, tonight is the night; Baby come over (baby come over)  
Tonight is the night, to make it alright, tonight is the night; Baby come over (baby come over)

Here I sit alone on a Saturday night, feeling kinda horny.  
Boy I did cool cos Im missing you  
But youre so far away baby, and I need you here by my side  
Theres so many kinky things we could do tonight.

Chorus

Baby just a simple touch, the little things mean so much (to me)  
Ill do any thing for you, if you ask me to, Ill be there for you.  
And baby I know you got a woman at home, we can never be alone to me  
But its alright, cos all I need is tonight; come see about me.

Chorus

Uuuuhhhhh and we can do some kinky things  
([spoken] you know you want to)

Lets take our time, baby lets take it nice and slow  
Baby Ill do you right, boy Ill make it good to you  
All I want to do is make sweet love to you  
So dont make me wait too long Baby come over.

Chorus to fade
