Turn it up some
All right boys
This is her favorite song
you know that right
so if we play it good
and loud she might
get up and dance again
oh, she put her beer down
here she comes here she comes
left, left, left, right, left
OOhh hustlers shootin
8 ball throwin darts at the wall
feelin down ther 10 feet tall
here she comes lord help us all
hope he dug his girlfriend
and slapped him by his chair
poor old boy it aint his faul
its so hard not to stare
at that Honkytonk Badonkadonk
keepin perfect rythym make you wanna
swing it on, got it goin on like
donky kong and oowwee
shut my mouth slapped
your grandma there ought to be law
get the sheriff on the phone
laord and mercy how she
even get them britches on
with that honkytonk badonkadonk
ooohhhh soft
now honey you can't blame her
for what her mama gave her
it aint right to hate her
for working that money maker
dances down at two but were
hangin out till three
we'd hate to see her go
but lord to watch her leave
with that honkytonk badonkadonk
keepin perfect rythym make
you wanna swing along
got it goin on like donkey kong
and oowwee shut my mouth
slapped your grandma there
ought to be a law
get the sherriff on the phone
laord and mercy how she even
get them britches on
with that honkytonk badonkadonk
oohh thats what im talking about
ya haha mmm
we don't care about the drinking
barely listen to the band
we started shakin when she
get the urge to dance
driving everybody crazy
you think you fell in love
boys you better keep your distance

you can look but you can't touch
with that honkytonk badonkadonk
keeping perfect rythm make
you wanna swing along
got it goin on like
donky kong and oowweee
shut my mouth slapped your grandma
there ought to be a law get the
sherriff on the phone
laord and mercy how she
even get them brithces on
with that honkytonk badonkadonk
that honkytonk badonkadonk
yah that honkytonk badonkadonk
that honkytonk badonkadonk
see right there boys
thats why we do what we do
(honkytonk badonkadonk)
it aint for the money
(honkytonk badonkadonk)
it aint for the glory
(honkytonk badonkadonk)
