

Admiral Freebee, Lucky One

It was summer's first spark
Felt like finding the switch in the dark
Hey, how little did I understand
When she accidentally touched my hand
That the odds were in my favor
They came in eighteen to one
And I am a lucky one
I am a lucky one

It's happening baby
She's waiting for me
Love happened to me
She's waiting for me

You know the shortest road home
Is the longest road out
I was in her presence for an hour
And I already wanted to shout
The shepherd is good, the shepherd arranges
A lot and that sudden changes
And I am a lucky one
I am the lucky one

It's happening baby
She's waiting for me
Love happened to me
She's waiting for me

It's happening baby
She's waiting for me
Love happened to me
She's waiting for me

Oo-oo-oo
Oo-oo-oo
Oo-oo-oo
And I am a lucky one

Oo-oo-oo
Oo-oo-oo
Oo-oo-oo
And I am a lucky one
(Lucky one!)

It's happening baby
She's waiting for me
Love happened to me
She's waiting for me

It's happening baby
She's waiting for me
Love happened to me
She's waiting for me

Oo-oo-oo
Oo-oo-oo
Oo-oo-oo
I am a lucky one

Oo-oo-oo
Oo-oo-oo
Oo-oo-oo
I am a lucky one

Oo-oo-oo
Oo-oo-oo
Oo-oo-oo
I am a lucky one
