

# Adorned Brood, Adora

In the world  
where she was born  
witchcraft and  
sorcery were practiced

Transformation, Christianity, Cremation

Adora walks her way  
through the forest in the night.  
The moon is shining brightly.  
Adora walks her way  
through the forest  
and the trees whisper to her.

Adora - in the name of Christ  
Adora - church's lies

She lives her own life  
and she is very intelligent.

Transformation, Christianity, Cremation

Because of being that way  
she was a witch  
and she had to be  
burned by the christians

Transformation, Christianity, Cremation

Adora was thrown on the fire  
she burned with a smile on her face.

Adora - In the name of Christ  
Adora - church's lies

Adora walks her way  
through the forest  
in the night.  
The moon is shining brightly.  
Adora walks her way  
through the forest.
