

Adrian Belew, Waiting Man

I come back, come back
You see my return
My returning face is smiling
Smile of a waiting man

I be home soon soon soon
Soon cry on your shoulder
Your shoulder against my burning tears
Tears of a waiting man

I wait every moment
I wait, wait for my chance
I wait for my friend to say

Hello, you waiting man
Feel no fret feel no fret feel no fret
You can wait and feel no fret
And so I wait so I wait so I wait
I wait

I return face is smiling
Be home soon, cry on your shoulder
Tears of a waiting man
Every moment wait for my chance
My friend say hello, feel no fret
You can wait and I wait and I wait
And home I am.
