

Adrian Furby Trio, Damn That Student Radio

Loud loud loud loud loud.
And they play really bad music.
Why can't they play some Donovan?
They're students of course,
And they have no respect for authority
If i was the Vice-chancellor
I'd put up against a wall and slap them with a
salmon
Damn that student radio
Damn that student radio
They bug me with their coloured hair
Damn that student radio
Turn off the power
