

# Adrian Orange, Blushing

have you ever seen an asshole crying?  
or stayed alive while a great hero died?  
or felt the same lips that lied kiss you on the eye?

then you know every hill has its valley  
and i cannot live without you  
but now you look as beautiful on the outside as you are on the inside  
you look as divine on the outside as you are on the inside  
and i can see your blood, how its running  
around the mountain you're becoming

but with the skin on your face turning more translucent now,  
more clearly, there's no inside and no out.  
there there there's really nowhere to hide  
but there's nothing to hide from.  
there's nothing to be afraid of.
