Adriana Evans, Seein' Is Believing

Chorus:
You know that seein' is believing
Don't say you love me if you're leavin'
You know that seein' is believing
Don't say you love me if you're leavin'

Suddenly you up and take your love away
Like a dream, it happened all in just one day
Could it be that I was running out of time
Is it me, or are you playing with my mind
Don't you know that everything you said
Is messin' with my head
And mama said

{Chorus}

Ooh ooh wee
Time has helped, me open up my eyes to you
Now I see, you're not worth what you put me through
Could it be that you were running out of time
Now I see that you were playing with my mind
Don't you know that nothing that you said
Is messing with my head
And mama said

{Chorus} (2x)
