

Adriano Celentano, Don't Play That Song

Don't play it no more
don't play it no more

don't play it no more
no no no no no no.

Don't play that song for me it brings back the memories
of days that I once knew the days that I spent with you
oh

no
don't let it play it fills my heart with pain
please stop it right away I remember just what it said.

It said (Darling
I love you) you know that you lied
(Darling
I love you) you know that you lied
(Darling
I love you) you know that you lied

you lied
lied
lied
lied.

Remember on our first date
you kissed me and you walked away
you were only seventeen
I never thought you'd act so mean
but baby

(darling
I love you)
you told me you loved it
(Darling
I love you)
you told me you cared
(Darling
I love you)

You said
I'll go with you, (you lied)Darling, almost anywhere
(you lied
lied
lied
lied)

but darling
you know that
you told me you loved it
you told me you cared
You said "I'll go with you
darling
almost anywhere" but darling you know that
(Darling
I love you)
you know that you lied

...

Don't play that song for me
it brings back memories

...

It said you told me you loved it
you told me you cared you said
I'll go with you, darling, almost anywhere
but darling
you know that

(Darling
I love you) you know that you lied
