

# Adrienne Bailon, Uncontrollable

I'm under your spell (release me)  
I'm losing myself (can't control me)  
I'm captured by the way you entice me, me, me, me  
Can't even flourish and I  
Feel like I'm hypnotized  
Feel so energized  
Do I need to slow down? (Ahh)  
Cause right now I can't seem to fight it  
I kinda like the way it's flowing  
It's uncontrollable  
And I just can't help it  
When I try to leave  
And I'm right back at it  
So uncontrollable  
And I just can't hide it  
When I try to leave  
It keeps on pushing me  
Uncontrollable  
(mmmmm la da dee la da dum mmmmm)  
It's uncontrollable  
It's uncontrollable  
The pressure is on (tempting)  
I feel overwhelmed (and I'm speechless)  
My focus is gone  
By the beat of your drums, drums, drums, drums  
I can't even sleep  
And I can't even analyze  
Why I'm so tempted by  
Do I need to slow down?  
Cause right now I can't even fight it  
I kinda like the way it's flowing  
It's uncontrollable  
And I just can't help it  
When I try to leave  
And I'm right back at it  
So uncontrollable  
And I just can't hide it  
When I try to leave  
It keeps on pushing me  
Uncontrollable  
(mmmmm la da dee la da dum mmmmm)  
It's uncontrollable  
It's uncontrollable  
The joy that it brings  
It over takes me  
It fulfills my fantasies  
All of my dreams  
The joy that it brings  
It over takes me  
It keeps on forcing me  
Keeps on pushing me  
Uncontrollable  
And I just can't help it (aaahh oooh)  
When I try to leave  
And I'm right back at it  
So uncontrollable (It's uncontrollable)  
And I just can't hide it  
When I try to leave  
It keeps on pushing me (keeps on pushin me)  
Uncontrollable (Uncontrollable)  
And I just can't help it  
When I try to leave (Try to leave yeah yeah)  
And I'm right back at it  
So uncontrollable

And I just can't hide it  
When I try to leave (oooh oooh oooohh)  
It keeps on pushing me  
Uncontrollable  
(mmmmm la da dee la da dum mmmmmmmm)  
It's uncontrollable  
It's uncontrollable
