

Adult., Blank Eyed, Nose Bleed

I'm coming to get you.
I'm coming to find you.
Say hello to your new best friend.

Blank eyed, nose bleed

Wouldn't it be nice,
To go to a party,
And be the only one there.

Blank eyed, nose bleed

I've been working on,
Increasing my anxiety,
It's something I can do for free.

Blank eyed, nose bleed

Seconds moving forward.
Second moving backwards.
