

# Adult., Lovely Love

She says  
Love love, my lovely love  
I'll smother her, so we can be together  
Forever and ever and ever forever  
Till it's over and done  
It's done, it's done

She says  
It wouldn't be fair  
Not to heed the warning  
Since nothings getting in the way  
Of our love forming  
She'll sink, sink, into the water  
Nothings going to stop my love  
You're so pretty as boiling blood  
My Love
