Lightin up with a bread toaster  
Losing my compulsure,  
Fucked up in this fucked up culture  
Images of me not getting older be fucking my mind,  
Drugs destroy so many young lives but fuck it not mine!,  
\*Estupidos\*,  
Shut up bitch,  
What you know about this,  
When kids are willing to sell their mom just to get a hit,  
They say it starts off with a spliff,  
and ends tragically with a nedal,  
shoved up in your autory inside a stolen vehicle,  
Rest in peace, dopester fell victem to bad smack,  
All of you burning aluminium foil need to stop that,  
but i cant front these drugs got me busting mad vocals,  
in a ?? sniffing lo lo going loco,
