

Aeon, The Inverted Gate

leave me in my world
and let it breathe with me
don't touch our riches
and don't touch our gate
(outside, there's a man)
in every man's heart
there's only hate and scorn
f**k you
better die alone

my life belongs behind the inverted gate
no one can enter there
no one can touch it
it's only mine...
the gate to my world
as I want it to be
