

Aereogramme, Sunday 3:52

When the light go out
I will be running
Over your name

When the lights go out
I will burn down
This side of my life

Something beautiful
Fell into my life
Something beautiful
Fell into my life

And your initial on postcard
And your initial on the screen
I demand your skin
And I demand your skin
I demand your skin
Needing one chance

When the lights go out
I will be running
Over your name
