

Aereogramme, Trenches

Well we've been building our trenches
Waiting alone
For some hint or suggestion
Of better things to come
So listen, listen please
I won't wait anymore

Let me run through the water
Let me drink in the sea
Let me run through the water
Just pick me up again
Taking hold of our senses
We can always be
Anything that you wanted

You know that I love you
But I can't let go
You know that I love you
But I can't let go
May you always be
May you always be
May you always be
May you always be
Loved
Loved

(If I don't make it out
Remember the love we had) x4

Always yours
Always yours
I'm always yours
I'm always yours
