

Aerosmith, Angel's Eye

What ya gonna do when the angels come
Get movin', yeah movin'
I'm gonna get your kicks from the 911
It's groovin'...so soothing
Your passions deplete, it's just looking to feed
Your own fantasy
The blind side of you is a bad dream come true
That you can't see

Chorus:

From an angel's eye
Kiss your life goodbye
From an angel's eye
Ain't no place to hide
Tell me what you see through an angel's eye
The halo...on fire
You never really know till it's do or die
Your devil's desire
Your running in place like a rat in a race
Going no where
The evil you speaks from the tongue of the freaks
So don't go there

Chorus

What ya gonna do when the angel's come
What ya gonna do when you come undone
I'm gonna get your kicks from the 911
Ya so bad...can't hold them
From an angel's eye
Kiss your life goodbye
From an angel angel angel's eye
Ain't no place to hide
Fallen angel
Fallen angel
Fallen angel
