

Aerosmith, Can't Stop Loving You (ft. Carrie Underwood)

I fell from holy Moses mountain, where love's a slippery slope
And all the others I've been hanging with, never gave me too much room
Then one day she came to me, love at first sight, head to toes
I love her wild, my mountain child and that's just how she goes
And here she got

Hey I can't stop loving you
Cause it's all I wanna do
Yeah the world needs more of this, tell me what you put into that kiss, yeah
Now keep that coming on, let me hear my favorite song
Yeah you're all I wanna do, cause I can't stop loving you

[Carrie Underwood:]
Got me a good old time and cowboy
He got my picture on the fridge
And the first time that he kissed me, we was high up on the ridge
And when we came down from the mountain, on a ride with mama kin (?)
And for all it costs, for getting lost, there ain't no better sin
Oh, yeah

You know I can't stop loving you
Cause it's all I wanna do
Yeah the world needs more of this, tell me what you put into that kiss, yeah
Now keep that coming on, let me hear my favorite song
Yeah you're all I wanna do, cause I can't stop loving you

When I wake up and see your face
All that jump in a picture lace
And that there's nowhere else I would rather be
Then all tied up in this rha'sody

Hey I can't stop loving you
Cause it's all I wanna do
Yeah the world needs more of this, tell me what you put into that kiss, yeah
Now keep that coming on, let my hear my favorite song
Yeah you're all I wanna do, cause I can't stop loving you
