Livin' On the Edge [Single]

Something's wrong with the world today
I don't know what it is
Something's wrong with our eyes

We're seeing things in a different way
And God knows it ain't His
It sure ain't no surprise

Livin' on the edge
Livin' on the edge
Livin' on the edge
Livin' on the edge

There's somethin' wrong with the world today
The light bulb's gettin' dim
There's meltdown in the sky

If you can judge a person
By the color of his skin
Then mister you're a better man than I

Livin' on the edge
Livin' on the edge
Livin' on the edge
Livin' on the edge

Tell me what you think about your sit-u-a-tion
Complication - aggravation
Is getting to you

If chicken little tells you that the sky is fallin'
Even if it wasn't would you still come crawlin'
Back again?
I bet you would my friend
Again & again & again & again & again

Tell me what you think about your sit-u-a-tion
Complication - aggravation
Is getting to you

If chicken little tells you that the sky is fallin'
Even if it wasn't would would you still come crawlin'
Back again?
I bet you would my friend
Again & again & again & again & again

Something's right with the world today
And everybody knows it's wrong
But you can't retrieve what you can't conceive
So I would rather be a hanging on

Livin' On the Edge
Livin' On the Edge
Livin' On the Edge
Livin' On the Edge
Livin' On the Edge
Livin' On the Edge

Livin' On the Edge
Livin' On the Edge
Yeah, yeah, yeah, yeah, yeah, yeah, yeah

Right
