

# Aerosmith, Sudona Sunrise

I was a city boy  
Cought up in a city way  
A nitty gritty boy  
Stayin' out all night  
And always gettin blown away

There ain't no breeze to cool the heat of love

She was a city girl  
With no responsibility  
A pretty little city girl  
All fired up and what's  
That got to do to me

There ain't no breeze to cool the heat of love

It's as clear as a  
Sunrise in Sudona  
Just what it is  
That's blowin' in the wind  
It's the fire in her eyes  
It's the tear when she cries  
It's the heat when I fall on my knees  
That I'm thinkin' of

There ain't no breeze to cool the heat of love

It's as clear as a  
Sunrise in Sudona  
Just what it is  
That's blowin' in the wind  
It's the fire in her eyes  
It's the tear when she cries  
It's the heat when I fall on my knees  
That I'm thinkin' of

There ain't no breeze to cool the heat of love
