AEROSMITH

Miscellaneous

Your my Angel

I'm in love, yet I don't know if I can face the night
I'm in tears, and the crying that I do is for you

I want your love, let's break the walls between us
Don't make it tough, I put away my pride
With your sweet love, I've suffered and I've seen the light, baby

You're my angel, come and save me tonight
You're my angel, come and make it alright

Don't know what I'm gonna do about this feeling inside
Yes, it's true, loneliness took me for a ride
Without your love, I'm nothing but a beggar
Without your love, a dog without a bone
What can I do? I'm sleepin' in this bed alone

Baby, you're my angel, come and save me tonight
You're my angel, come and make it alright
Come and save me tonight

You're the reason I live
You're the reason I die
You're the reason I give when I break down and cry
Don't need no reason why
Baby, baby, baby

You're my angel, come and save me tonight
You're my angel, come and make it alright
You're my angel, come and save me tonight
You're my angel, come and make it alright

Come and save me tonight (5 times)
