

# AFI, A Winter's Tale

A chilling silence  
A world of violence  
My breath materialized again  
Immaculate  
Inanimate  
A comfort cutting time, I see  
A string of white lights

Forever walking through December  
Forever rise  
Forever longing for a sign of life  
A bringer of light  
Forever wandering together  
Through a world of violets

Ice everlasting  
A full moon casting a purple veil enshrouding all  
I perambulate  
Somnambulant  
A solace piercing time, I see  
A string of white lights

C'mon  
Forever walking through December  
Forever rise  
Forever longing for a sign of life  
A bringer of light  
Forever wandering together  
Through a world of violets

If only one for night  
If only one for night  
If only for one night remember  
If only one for night  
If only one for night  
if only for one night remember  
If only one for night  
If only one for night  
If only one for tonight together

Forever walking through December  
Forever rise  
Forever longing for a sign of life  
A bringer of light  
Forever wandering together  
Through

Forever walking through December  
Forever rise  
Forever longing for a sign of life  
A bringer of light  
Now forever wandering together  
Through a world of violets
