

AFI, Fall Children

As the cries start to penetrate still air.
This day we celebrate
The wait now ends.

From four corners smoke plumes into a reddened sky.
[Woah, oh. Woah, oh]
In the face of lantern light, tonight, my destiny flies.
[Woah, oh. Woah, oh oh oh!]

Chorus:
This day so hallowed, This day so hallowed,
from here to forever its will I will follow.
[This day so hallowed, this day so hallowed]
Tonight will come to life.

Deadened branches stirred by whispers in the wind.
[Woah, oh. Woah, oh]
Fall children fill the streets at dusk, at last, it all will begin.
[Woah, oh. Woah, oh oh oh!]

This day so hallowed,
This day so hallowed,
from here to forever its will I will follow.
[This day so hallowed, this day so hallowed]
Tonight will come to life.

(Davey Yells)
(14 seconds of Oh!'s)

Oh, I know. I know. I kno-ooo-ooow!
I know. I kno-ooo-ooow!
YEAH!

Fall Children!

This day so hallowed,
This day so hallowed,
from here to forever its will I will follow.
[This day so hallowed, this day so hallowed]
Tonight will come to Life
[Woah, oh oh oh!]
To Life!
[Woah oh oh.]
